

SCHEDULE OF QUALIFICATION ASSESSMENT AND INTERVIEWS

PHD Program in Economics a.y. 24-25

- Qualifications will be assessed on 8th July 2024.
The assessment outcome will be posted on the [University website](#), on the programme webpage, before the start date of the interviews.

- Interviews will be held online 18th July 2024.
The interview schedule - specifying the date and time of the interview for each candidate, as well as the title of his/her research project - will be posted on the [University website](#), on the programme webpage.

The interview will be in English.

Applicants who are justifiably unable to attend the in presence interview and have not already attached Form 3, available in the call for applications, to their online application, may submit this Form via the [InformaStudenti](#) service by selecting the category: Postgraduate/PhD by the call deadline (27 June 2024 at 14:00 p.m.).

- Enrolment in the PhD programme is from 5 to 9 August 2024, at 2 p.m. via [Sifa Online Services](#) in accordance with the procedures published on the [University website](#).
- Candidates who are enrolled in another university course for the a.y. 2024/25 have to verify the compatibility with the enrolment in a PhD programme on the webpage [Simultaneous enrolment in two higher education programmes](#).

After the PhD rankings are published and before starting the enrolment procedure, the admitted candidates will have to upload the application for the simultaneous enrolment via the online procedure and attach the required documents (in case of two postgraduate courses: the approval of the PhD Coordinator and the approval of the Director of the Postgraduate School/of the Organizing Committee of the Vocational Master you are enrolled in).

- Notice is hereby given that on 10 June 2024, Article 13 of the call of Public Competition for Admission to the Inter-university Doctoral Research Programme in Economics is amended by Rectoral Decree n. 3975/24. The changes can be seen in the aforementioned notice.
