Students enrolled in the final year of first cycle degree courses, who have gained at least 156 credits at the time of the admission exam, can be admitted to the programme provided they graduate **by 20 October 2023**.

Also candidates in possession of university qualifications gained abroad and recognized as suitable by the University can be admitted.

All details on qualifications and access for international students to Italian universities are published on the website <http://www.studiare-in-italia.it/studentistranieri/> and on the University website in the sections dedicated to [international students](#).

Art. 3 - Number of places available

The number of places available for the first year is **10 for EU residents not requiring a VISA**, plus **3 places reserved for non-EU students living abroad (VISA applicants)**.

Art. 4 - Admission procedure and deadline

Applications from EU citizen and EU residents who do not require a VISA will be accepted from 15 March 2023 until 12 June 2023 at 12.00pm (noon).

Applications from non-European students requiring a VISA will be accepted from 15 March 2023 until 28 April 2023 at 12.00pm (noon).

After ranking list publication, if positions are still available, applications will be accepted until 31 May 2023, 12.00pm (noon).

All candidates are required to apply online, according to the following procedure:

1. register on the University portal through the page:
https://registrazione.unimi.it/reg_utenti_esterni/ENG/registrazione/form.html
(not required for those already registered on the portal or in possession of university login credentials);
2. sign up to the Services for admission to *Master programmes with an entrance examination*, using university credentials:
<https://www.unimi.it/en/study/student-services/technology-and-online-services/online-services-former-sifa>;
3. choose the programme: PLANT SCIENCE *or* PLANT SCIENCE (VISA APPLICANTS) and fill the online application with the requested data;
4. pay the fee of € 30.00 by the deadline for admission at the very latest, on pain of exclusion.

The online admission service also requires the following documents to be uploaded, in .jpg, .pdf or .rtf format:

- curriculum vitae (in English);
- diploma supplement or, alternatively, a transcript of the student's records including courses and marks (in English, Italian, French, German or Spanish);
- certificate for B2-level in English, if in possess;
- passport (only the pages containing personal information) or other valid ID Document - (only for non-Italian candidates).

Applicants may upload any other document they judge relevant for the evaluation.

Transcripts from candidates of the Università degli Studi di Milano are acquired automatically. Candidates from other Italian Universities may upload a self-certification instead of the transcript.

In addition to their personal details, **candidates who have not yet graduated** must provide the total credits obtained, the average grade, exams taken and not yet recorded with the relative credits, exams not yet taken with the relative credits, and their expected date of graduation.

A receipt is issued at the end of the online procedure, which could be requested on the day of the exam together with the receipt of payment.

The receipt is the only document accepted as proof of registration for the admission exam.

Any candidate who provides false details or is not in possession of the admission requirements will be excluded from the final ranking list.

Art. 5 - Admission exam schedule and assessment criteria

5.1 Admission exam schedule

- For EU citizen and EU residents who do not require a Visa the admission exam will take place **on 21 June 2023, 2:00pm** at the Department of Biosciences, Via G. Celoria 26, Milan. Check the website for more information regarding the room.

Candidates must arrive at 1.45pm bearing a valid identity document (preferably the one indicated during the online application). The exam will start after the identification. Candidates who arrive without identity document, with invalid one, or late will not be admitted to the interview.

In case the COVID-19 blockage is still effective, interview will be online: time and connection details will be sent via email few days before the interview.

The board and the supervisory staff will supervise observance of the abovementioned rules and have the right to adopt the necessary measures resulting from their non-observance. For any matters not covered in this announcement, the provisions on the conduct of public competitions apply.

It is advisable to check for any possible updates concerning dates and times of the examination on the website: <http://plantscience.cdl.unimi.it>.

- Non-European applicants who do not reside in an EU member state (Visa applicants) will be evaluated on the basis of their curricula and, provided all CV requirements are met, and invited to an online interview that will take place on 10 May 2023. Details will be supplied in the invitation email. If the 3 places reserved for non-EU students living abroad are not filled, applications will be accepted until 31 May 2023, 12.00pm (noon).

5.2 English language proficiency

Students must be proficient in English, with a B2 level of competence. Applicants are required to certify their knowledge of the English language in one of the following ways:

- B2 level certification (vantage or upper intermediate, as defined by the Common European Framework of reference for Languages: Learning, Teaching, Assessment; recognised certifications <https://www.unimi.it/en/study/language-proficiency/placement-tests-entry-tests-and-english-courses>);
- a B2 result in the placement test given by the University of Milan.

Candidates may also be accepted provided their level of English proficiency is unmistakably good, as evaluated during the admission test. The adequate personal preparation of the candidates, their ability to communicate in English are decisive elements for the admission and they are going to be verified and tested during the admission interview.

Art. 6 - Examination programs and assessment criteria

The admission exam consists of an interview with the Commission for Admittance to the Master programme; the interview will evaluate the expertise of the candidate in topics related to Plant Science degree and will ascertain the knowledge of the English language.

The committee evaluates the candidate on a 100-point scale:

- up to 25/100 will be given for the graduation grade; for undergraduates the average grade of the sustained teaching activities are evaluated;
- up to 10/100 for the curriculum (type of degree, extra-curriculum free courses, Erasmus experience, etc.);
- up to 65/100 for the interview.

The minimum requirement for admission is 60/100. In the event of two or more candidates with the same score, priority will be given to the younger candidate.

Candidates who pass the exam and achieve a sufficiently high position in the ranking list can register on the first year of the course.

Art. 7 - Ranking lists publication, enrolment and updating

7.1 Ranking lists publication

EU residents not applying for a Visa

The ranking lists will be published on **29 June 2023, after 2.00pm**, on the University's website at the following page: <https://www.unimi.it/en/study/student-services/technology-and-online-services/online-services-former-sifa> (Admission and Ranking Lists - Degree Programmes).

Place winners must register online no later than 7 July 2023 at 2.00pm:

- if future graduates from UNIMI, using the form that will be sent to their UNIMI e-mail address;

- if future graduates from UNIMI, using the form that will be sent to their UNIMI e-mail address;
- if already graduated, or future graduates from other universities, following the procedure described at the webpage <https://www.unimi.it/en/study/bachelor-and-master-study/degree-programme-enrolment/enrolment-masters-programme/masters-degree-programmes-limited-enrolment>.

Publication of the ranking lists constitutes official communication to the candidates. Candidates will not receive any communication. They must personally consult the enrolment deadlines, updating of the ranking lists and every other information published on the webpage of the chosen degree programme.

Enrolment of undergraduates will be validated only if they obtain their Bachelor's degree by 20 October 2023.

7.2 Enrolment and updating of the ranking lists

Places left vacant after the deadline for enrolment indicated in art. 1 are assigned to the next students in the ranking list and will be published **from 10 July 2023** on the University's website at the following page: <https://www.unimi.it/en/study/student-services/technology-and-online-services/online-services-former-sifa> (On line services former SIFA - Admission and Ranking Lists).

Candidates admitted for the places available must enrol **by 2.00pm of 20 July 2023**, following the procedures indicated in art 7.1.

Art. 8 - Candidates with qualifications gained abroad

All details on qualifications and access for international students to Italian universities are published on the website <http://www.studiare-in-italia.it/studentistranieri/> and on the University website in the sections dedicated to [international students](#).

The eligibility of foreign qualifications is in any case assessed by the University, in accordance with applicable ministerial guidelines and bilateral agreements.

Applicants with qualifications gained abroad will be required to submit compulsorily the following documents during the online enrolment application:

- admission fee receipt;
- copy of High school diploma legalized by the authorities of the issuing country, with an official Italian translation;
- first cycle degree (BSc. or equivalent) legalized by the authorities of the issuing country, with an official Italian translation (*translation non required when the Diploma Supplement is provided*);
- statement of validity (*dichiarazione di valore in loco*) issued by the Italian Embassy in the country where the diploma was obtained or [CIMEA certificate of comparability](#) or statement of validity issued by ENIC-NARIC centres;
- residence permit (only for non-EU candidates residing abroad);
- italian tax code;
- ID.

Upper secondary school diplomas, post-secondary and university certificates are accepted in Italian as well as in French, English, German or Spanish.

The certified translation of the university degree and the related Declaration of Value/statement of validity can be replaced by the Diploma Supplement issued by the universities of countries belonging to the European Higher Education Area.

In addition to these documents, **non-EU students applying for a VISA** are required to submit the following:

- student VISA.

Candidates who do not have the required documentation when enrolling may submit it **by 28 November 2023** through the dedicated online service available on the [International enrolment in degree programmes](#) page.

The validity of international qualifications is verified upon submission of the official documents. Until then, candidates are admitted to the programme conditionally, and may be rejected if they are found not to meet the requirements.

8.1 - Non-EU Candidates Applying for a VISA

Since the first semester is held at the Université Grenoble Alpes (UGA), students falling under this category are required to apply for a French student VISA.

These candidates can enrol only if included in the quota of reserved places.

Art. 9 - Examining board

The examining board is appointed by the competent academic council.

During the exam the board will be assisted by staff, who will be responsible for supervising and identifying the candidates.

Art. 10 - Procedure Manager and contacts

Pursuant to law no. 241 of 7 August 1990 the manager of the procedure related to this announcement is Ms Emanuela Dellavalle (Managing Director of the Student Registrar and Education Incentive Programmes Division).

For any further information regarding the content of the call refer to the Informastudenti Service (<https://www.unimi.it/en/study/student-services/welcome-desk-informastudenti>) by selecting the category: “Enrolment - Enrolment, test and ranking list”.
