THE RECTOR

- Having regard to Italian Ministerial Decree No. 270, dated 22 October 2004, entitled "Amendments to Regulation No. 509 containing rules governing the educational autonomy of Universities, passed by a Decree of the Ministry for Universities and Scientific and Technological Research on 3 November 1999";
- Having regard to Article 4 of Italian Law No. 210, dated 3 July 1998, as amended by art. 19, paragraph 1, of Italian Law No. 240 dated 30 December 2010;
- Having regard to Italian Ministerial Decree No. 226 dated 14 December 2021, "Regulation containing the accreditation methods of the locations and doctoral programmes and the criteria for the institution of doctoral programmes by accredited bodies";
- Having regard to the University Regulation for PhD Programmes and Students doctorates issued by Rector’s decree of 5 June 2015, as amended;
- Having regard to the decisions of the Academic Senate and of the Board of Directors in the sessions of 17 and 18 May 2022, concerning the institution of the PhD industrial course in “Intersectoral Innovation: Dottorato Intersettoriale per l’innovazione” pursuant art. 10 of Italian Ministerial Decree No. 226 dated 14 December 2021;
- Given that in the call for applications for admission to the doctoral course "Intersectoral innovation: inter-sectoral doctorate for innovation" issued by decree no. 5401/2022 on 25 November 2022 in Article 1 it was stated that: "The number of scholarships may be increased following the acquisition of external funding that becomes available before the start date of the doctoral cycle";
- Considered it appropriate to adhere to the requests made regarding the extension of the positions originally made available for admission to the 'Intersectoral innovation doctorate', resulting in the acquisition of a new scholarship;

DECRESSES

for admissions to the University's industrial doctorate course 'Intersectoral innovation: inter-sectoral doctorate for innovation', that the number of places and scholarships are to be increased:
