### **MASTER PROGRAMMES ADMISSION**

#### **Admittance from three-year degree courses at the University of Milan**

A12-Sciences of Legal Services (Classe L-14)

#### **Admittance from other degree courses**

Academic Requirements:

The minimum academic entry requirement for the LL.M. programme is a recognized Bachelor's Degree, or an equivalent degree (180 ECTS credit in the European system), in Law, Economics, Political Science or International Relations. All candidates must have completed a specific number of credits in Law and Economics in their Bachelor's Degree.

Language requirements:

All applicants must demonstrate to have the necessary proficiency in English to participate fully in the LL.M. programme.

Who needs to provide proof of language proficiency: The Faculty of Law requires all LL.M. applicants who are not from a country where English is the official language, or who do not hold a Bachelor's Degree fully taught in English, to take an IELTS or TOEFL test to show they have proficiency of the language.

IELTS test minimum requirements: For LL.M. applicants, the IELTS minimum overall score is 7 with a minimum of 6.5 in each of the reading, writing, listening and speaking components.

TOEFL test minimum requirements: If the IELTS is not available, students may take the TOEFL test. The TOEFL (internet based) minimum overall minimum score is 100 with a minimum of 25 in each individual component of the reading, writing, listening and speaking components.

### **EXPERIENCE OF STUDY ABROAD AS PART OF THE TRAINING PROGRAM**

The University of Milan supports the international mobility of its students, offering them the opportunity to spend periods of study and training abroad, a unique opportunity to enrich their curriculum in an international context.

#### **How to participate in Erasmus mobility programs**

To gain access to mobility programs for study purposes, lasting 3-12 months, the enrolled students of the University of

Milan must attend a public selection that starts usually around the month of February each year through the presentation of specific competition announcements, which contain information on available destinations, respective duration of the mobility, requirements and deadlines for submitting the online application.

The selection, aimed at evaluating the proposed study abroad program of the candidate, knowledge of a foreign language, especially when this is a preferential requirement, and the motivations behind the request, is performed by specially constituted commissions.

Each year, before the expiry of the competition announcements, the University organises information sessions for the specific study course or groups of study courses, in order to illustrate to students the opportunities and participation rules.

To finance stays abroad under the Erasmus + program, the European Union assigns to the selected students a scholarship that - while not covering the full cost of living abroad - is a useful contribution for additional costs as travel costs or greater cost of living in the country of destination.

The monthly amount of the communitarian scholarship is established annually at national level; additional contributions may be provided to students with disabilities.

In order to enable students in economic disadvantaged conditions to participate in Erasmus+ program, the University of Milan assigns further additional contributions; amount of this contributions and criteria for assigning them are established from year to year.

The University of Milan promotes the linguistic preparation of students selected for mobility programs, organising every year intensive courses in the following languages: English, French, German and Spanish.

The University in order to facilitate the organisation of the stay abroad and to guide students in choosing their destination offers a specific support service.
