Per l'ammissione è richiesto il possesso di laurea conseguita nella classe L/SNT2, o nella corrispondente classe di cui al D.M. 509/99, o di diploma universitario abilitante alla professione o di altro titolo equipollente (ai sensi della legge n. 42/1999), nonché coloro che sono in possesso di titolo di studio conseguito all'estero, riconosciuto idoneo.

EXPERIENCE OF STUDY ABROAD AS PART OF THE TRAINING PROGRAM

Contacts and exchanges with foreign educational and health institutions are presently under development, with the aim to provide students with a reasonably broad range of international mobility programs. Based on the peculiarities of the training

curriculum and the specific needs of the students, who predominantly work as health professionals in public and private institutions, the mobility programs will include training activities within the organizational and research domains.
