

# CHIMALI 2025

## XIV NATIONAL CONGRESS OF FOOD CHEMISTRY

9 – 11 JULY 2025

9 July 2025

Università di Milano Bicocca  
Aula Magna U6

10-11 July 2025

Università degli Studi di Milano  
Aula Magna, Ca' Granda, Via Festa del Perdono 7

Young researchers symposium  
Opening of the congress and activities

Plenary sessions, keynote lectures, oral,  
flash and poster communications

### Objectives

- Promote collaboration between academic research and industry in the field of food chemistry
- Address current challenges such as sustainability, food safety and development of novel foods
- Encourage the participation of young researchers through dedicated sessions

### Topics

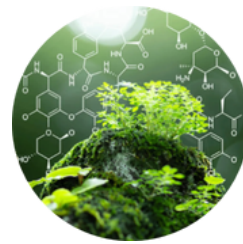

Food residues and  
by-products

Food bioactives  
and botanicals

Innovative analytical  
techniques

Natural  
compounds

Food traceability

Food safety and  
contaminants

Food allergenes

### Important dates

30 April 2025 Deadline abstract submission

15 May 2025 Acceptance of abstract

30 May 2025 Early-bird registration

30 June 2025 Deadline registration

### Subscription fees

SCI – ItachemFood Members: €400 + Gala Dinner €100

Non-SCI – ItachemFood Members: €480 + Gala Dinner €100

PhD students, research fellows, scholarship holders,  
students: €300 (Gala Dinner included)

Daily entrance: €250

Fees will increase by €50 after the Early-Bird deadline
