# YOUNG SCIENTIST MEETING SIPMeT

## “Pathobiology: From Pathogenesis to Translational Medicine”

**Milan, September 15-16 2017**

**University of Milan, “La Statale”  
Sala Napoleonica Via S. Antonio 10/12**

## SCIENTIFIC PROGRAMME

### Astract Submission

Congress delegates are invited to submit abstracts of their scientific work for presentation as a free communication at the **YOUNG SCIENTISTS MEETING SIPMeT, Milan September 15th-16th 2017**.

An unlimited number of abstracts may be submitted provided the presenting author applies for free registration. Abstracts are welcome in all fields of General Pathology and Clinical Pathology. Free communications are primarily presented via poster. A limited number of abstracts will be selected for oral presentation during the four sessions (6 abstract for each session, for a total amount of 24). Authors wishing to compete for these oral communication slots should mark the appropriate field on the on-line abstract-submission form. Properly submitted abstracts will be sent to experts for review and selection for oral communication.

### GENERAL REQUIREMENTS

The text must be clear, concise, and written in proper English. The content must not have been previously published in academic journals or subject to peer review. Significant technical information must not be withheld. Abstracts must absolutely contain results. Statements such as "results will be discussed" are not acceptable and will lead to rejection.

### STRUCTURE OF THE ABSTRACT

Abstracts can be structured and must include:

#### INTRODUCTION

a brief introduction stating the purpose of the investigation and its relevance;

#### METHODS

a description of the methodology used;

#### RESULTS

to be supported by statistical or other evidence to show their validity;

#### CONCLUSIONS

The body of the abstract must not exceed 2300 characters, spaces included.

### GENERAL INFORMATION

Deadline for receipt: Abstracts should be submitted by **June 30<sup>th</sup> 2017 12 am local time**  
Confirmation of receipt: Receipt of the abstract will be acknowledged by e-mail immediately after submission.

Notification of acceptance or rejection: Authors will be notified of acceptance or rejection within **July 15<sup>th</sup> 2017**.

Registration: The presenting author of each abstract must register for the congress  
Poster Size: 100 x 70 cm all abstract, comprise the abstracts selected for oral presentation during the scientific session, should be presented also as poster.
