

UNIVERSITÀ
DEGLI STUDI
DI MILANO

ITN ColOpt Network Event
(www.colopt.eu)

9th – 13th July 2018

“SALA NAPOLEONICA”

via S. Antonio 12, 20122 Milano.

GUEST SEMINARS

July 10th, 2018, 2:00 pm

Stefano Olivares, Università degli Studi di Milano

“Squeezed light: from interferometers to quantum metrology”

July 10th, 2018, 4:30 pm

Stefano Ruffo, SISSA

“Connection between nonlinear dynamics and complexity science concepts in quantum simulation and long-range interacting systems”

July 11 th, 2018, 11:00 am

Chiara Fort, Università degli Studi di Firenze and LENS

“Production and investigation of superfluid atomic mixtures”

ColOpt Collective Effects and Optomechanics in Ultra-cold Matter
