Deadline: 25th September, 2022

University of Milan

Dept. of Pharmacological and Biomolecular Sciences,
AULA A, Via Balzaretti 9, Milan, Italy

30th September, 2022,

Afnoon session

- 13.30-14.00. *Registration*
- 14.00-14.30. *Welcome and introduction*

Prof. M. Spedding (Secretary general of IUPHAR)

- 14.30 – 15.00. *Networking skills for pharmacological research: the example of IUPHAR network*
- 15.00 – 15.30. *Open session for questions to Prof. Spedding*

Round tables

- 15.30 – 16.30: *Round table with young international researchers. Example of training in research collaboration: the LERU (League of European Research Universities) Summer School, Edimburgh (2019).*
- 16.30 – 18.00: *Round table with private companies. The participants meet several companies working on the development of natural products for food and health purpose.*

1st October, 2022,

Morning session

Workshop on the role of collaboration for the future development of phytotherapy research

- 9.30 – 10.30. *Analysis and synthesis: the participant will be divided into small working groups to share and collect the take home messages from the previous day.*
- 10.30 – 11.00. *The key messages from each small group will be integrated in a single document during a collective session.*
- *Coffee break*
- 11.15 – 12.30. *The participants will draft a guideline for early careers collecting the key messages on best practices in phytotherapy research collaboration*
- *Social lunch and city trip*
