Opportunità di progetti e lavoro online

Freelancer. The name explains it all: it is the largest site dedicated to freelancers.

Freelancer. If you are looking for a job in the IT field here are more than 15 thousand offers. We are sure you will find the right one for you.

UpWork. Ex oDesk. On this platform you can find offers for both individual freelancers and entire teams. Companies can hire happy remote workers from anywhere in the world.

PeoplePerHour. OK, the design is not the best, in fact most freelancers are designers. Coincidence? Maybe not! Anyway, as the name suggests, the pay is hourly and is offered by freelancers.

Guru. More than 4100 job offers on one site. You only get paid when the job is complete and your clients are satisfied. So make sure you do your best!

Behance. Mainly dedicated to the American and British market, but also for remote work.

Youthhop. A world of international youth opportunities, competitions, job opportunities and scholarships.
